Education

Institution	Qualification	Level Passed	Start Date	End Date
John orr technical high school Technical High school. Matric with Electronics.	Technical Matric - Electronics	MATRIC	Jan 1984	Jan 1989

Van Zyl & Pritchard Programming	Cobol Programmer	COBOL	Mar 1990	Mar 1991

This course taught me the fundamentals of programming.

Work Experience

Company	Job Title	Start Date	End Date
Consolidated Share Registrars	Dividend Clerk	Jan 1994	Jan 1998

This was my first job after completing military service. Balance stock exchange listed company share registers. Manage and oversee company dividend payments.

Later on moved onto balancing share registers for company corporate actions such as rights issues to shareholders, company mergers etc.

ABN Amro Securities (stock broker)	Assistant to Compliance Officer	Jan 1998	Jan 2003

Started off in the administration department, involved with processing share certificates on trades and corporate actions such as rights issues, dividend payments.

The South African stock broking division of ABN Amro bank was closed and everyone was retrenched.

National Stainless Steel Centre	IT Manager	Jan 2005	Jan 2013

Manage all IT infrastructure.
